On January 22, Governor Abbott and the Texas Division of Emergency Management (TDEM) announced the expansion of the COVID-19 Rapid Testing Program for front line workers at Texas small businesses by dedicating 1 million BinaxNow Rapid Tests to the program. The COVID-19 Small Business Rapid Testing Program launched in

December as a pilot program and has helped small businesses throughout the state conduct rapid tests on employees to mitigate the spread of COVID-19.

Through this program, TDEM will provide local Chamber of Commerce organizations with COVID-19 testing supplies that will then be allocated by the Chambers of Commerce to local small businesses that choose to participate in the program. Small businesses can then administer these tests to employees who choose to participate. The program has been developed using the framework of the COVID-19 Rapid Testing Pilot Program for Texas school systems, implemented by the Texas Education Agency (TEA) and TDEM in October, that provides access to rapid testing for Texas teachers, students, and staff in participating school systems.

Chamber of Commerce organizations that wish to participate in the program will receive instructions for registering for the program directly from TDEM, or they may visit <https://tdem.texas.gov/chambertesting/> for further information.

Small businesses interested in participating in the program should contact their local Chamber of Commerce for more information.

On January 22, Governor Abbott announced that the Texas Department of State Health Services (DSHS) and the Texas Division of Emergency Management (TDEM) have surged medical personnel, equipment, testing supplies, and personal protective equipment (PPE) to Laredo to help combat COVID-19 and support hospitals in the region.

DSHS has deployed a total of 470 staff to Laredo and delivered ventilators, infusers, oxygen concentrators, hospital beds, cardiac monitors, oxygen flowmeters, IV poles, BiPAP machines, and more. Over 87,000 COVID-19 test kits have been provided to the City of Laredo Health Department and the Laredo Fire Department. DSHS has supplied 8 auxiliary medical units and ambulances as requested. Additionally, the State of Texas has provided over 29,000 doses of COVID-19 vaccines to date with more on the way.

TDEM and the Federal Emergency Management Agency (FEMA) have provided Laredo and Webb County with over 33.9 million pieces of PPE, including over 5.9 million masks, over 25.4 million gloves, 260,000 face shields, and nearly one million gowns and coveralls. State testing teams, coordinated by TDEM, have tested over 38,000 specimens at 29 locations throughout Laredo and Webb County.

On January 19, Governor Abbott held a roundtable discussion alongside healthcare professionals at Houston Methodist Hospital to highlight his legislative priorities to ensure a healthier future for the state of Texas. Following the roundtable, the Governor provided an update on the State's COVID-19 vaccination efforts. During the roundtable, the Governor and staff members from Houston Methodist Hospital discussed strategies to build a healthier Texas during and after the pandemic. They also discussed plans to ensure the ongoing availability of personal protective equipment (PPE), expand telehealth communications, and meet the mental health

needs of fellow Texans.

On November 23, Governor Abbott and DSHS announced the guiding principles for Texas' COVID-19 vaccine allocation process, which will serve as a foundation for the state's initial distribution for COVID-19 vaccines expected as early as next month.

Texas will initially allocate COVID-19 vaccines based on the following criteria:

- Protecting health care workers who fill a critical role in caring for and preserving the lives of COVID-19 patients and maintaining the health care infrastructure for all who need it.
- Protecting frontline workers who are at greater risk of contracting COVID-19 due to the nature of their work providing critical services and preserving the economy.
- Protecting vulnerable populations who are at greater risk of severe disease and death if they contract COVID-19.
- Mitigating health inequities due to factors such as demographics, poverty, insurance status and geography.
- Data-driven allocations using the best available scientific evidence and epidemiology at the time, allowing for flexibility for local conditions.
- Geographic diversity through a balanced approach that considers access in urban and rural communities and in affected ZIP codes.
- Transparency through sharing allocations with the public and seeking public feedback.

On November 19, Governor Abbott traveled to Lubbock to hold a briefing with local officials and provide an update on the distribution of bamlanivimab, the Eli Lilly & Company monoclonal antibody therapy for COVID-19.

On November 18, Governor Abbot announced a \$420 million reimbursement program to cover costs incurred by Texas public schools that purchased Wi-Fi hotspots and/or eLearning devices (such as laptops, tablets, and Chromebooks) so students could learn remotely during the COVID-19 pandemic.

On March 19, the Commissioner of the Department of State Health Services, Dr. John Hellerstedt, issued a Public Health Disaster Declaration in Texas. Governor Abbott issued a proclamation suspending provisions of the Texas Election Code to allow political subdivisions to postpone their 2020 local elections. Governor Abbott and TEA announced a collaboration with Local Education Agencies (LEA) on the Texas Students Meal Finder Map which will allow Texas parents to locate LEA facilities serving meals in their communities.

On March 17, Governor Abbott waived certain regulations and directed that the Texas Department of Insurance (TDI) issue an emergency rule, relating to telemedicine care for patients with state-regulated insurance plans.

On March 14, Governor Abbott, directed the Texas Medical Board (TMB) and the Texas Board of Nursing (TBN) to fast-track the temporary licensing of out-of-state physicians, physician assistants, certain retired physicians, nurses, and other license types to assist in Texas' response to COVID-19.

On March 13, the President of the United States Donald Trump declared that the COVID-19 global pandemic is a national emergency. On the same day, Governor Abbott issued a proclamation certifying that COVID-19 poses an imminent threat in the state and declared a state of disaster for all 254 counties in Texas. The Texas Department of Agriculture (TDA) Commissioner Sid Miller announced TDA has been granted flexibility from the federal school meal program to allow Texas schools to continue to provide meals to students even if temporarily closed.
